Congressman Menendez's Video College Affordability

Choose your Language

English: [CLICK HERE](#)

Spanish: [CLICK HERE](#)

Throughout my public career, so many New Jerseyans have shared with me stories of their upbringing, of their hardworking parents who moved here from other states and countries seeking a better life for their families and who always instilled their values of hard work, of personal responsibility and building strong communities.

I hope you will watch this video to hear more about my work to make college more affordable for these families.

Robert Menendez
Member of Congress
